

Directions

New City Osaki Clinic

Directions by train

Take the JR Yamanote line, Saikyo line, Shonan-Shinjuku line or Tokyo Waterfront Area Rapid Transit and get off at Osaki Station. Exit through the north gate, turn right (through the east exit), and cross the pedestrian overpass, "O".

Go down to the 2nd floor by the escalator on the right. The entrance of the clinic will be behind you.

Driving directions

It is convenient to use Zone B of the basement parking area (parking fees apply).

From Yamate Dori (Loop Route 6) and Shinjuku, pass the crossing in front of Osaki Station and turn left at the light. From Tennozu and Daiichi Keihin, pass Osaki Gate City and turn right at the light.

From the entrance to Building 1 in Zone B (close to the exit) of the basement parking area (the 2nd basement), take the elevator to the 2nd floor.

There are stairs in the basement parking area. If you need a wheelchair, pull over at the front entrance on the 1st floor of the TOC Osaki Building 1. We will prepare a wheelchair and show you the way.
